Questions

What makes mankind weary and heavy-laden? How do work, labor, burdens, and rest relate? What is an ox? What is a yoke? What kind of master and teacher is Jesus? What is the best rest? How can a yoke be easy? When is a burden light? Who does Jesus call unto Him? Can be a burden and a pleasure, precedes rest. A paradox? "My yoke is ----." If we take his yoke, and ----ourselves with him, we will easily plow in ----.

What we are given when we hitch

A wooden crosspiece fastened over the necks of draft animals, then attached to a plow or a cart

ourselves to Jesus.
